

# 7 Facts

## About Central Ohio's Data Center Partner

- 1** We are owned by The Wasserstrom Company, a family-owned business that has been **headquartered in Columbus, Ohio since 1902.**
- 2** In addition to providing the highest quality service, The Wasserstrom Company is passionate about giving back to the community—we currently **support 95 charities.**
- 3** Our Chief Operating Officer, Phil Smith, has been featured in *Columbus Business First* as part of the **Datcenters Table of Experts.**
- 4** We have **15 system admins on staff** that have on average **over 20 years of experience** previous to joining Racksquared.
- 5** Our staff has earned **VCP certifications from VMWare, CCNA and CCNP from Cisco, AIX from IBM, CompTIA certifications,** and more.
- 6** Racksquared consistently exceeds service level agreements, helping clients access their data at greater speeds with **uptime over 99.99%.**
- 7** With the mindset of a startup and the backing of a large company, we can offer **fully customized solutions** at a level that no other data center can—no matter what your business requires, we will find a way to make it work.

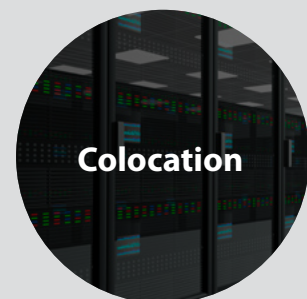

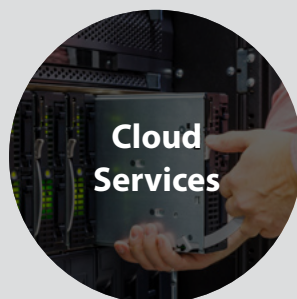

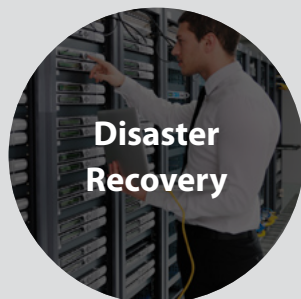

CompTIA  
Get IT Certified

*"I would absolutely recommend Racksquared to others because they give you what I did not feel we were getting at other places... that personal touch."*

Bill Miller, CFO of Contract Sweepers
